

Industrial Boiler Move

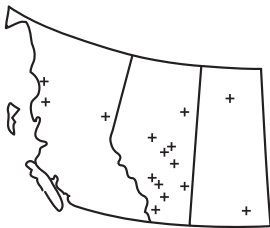

Industrial Moving

Case Study

Equipment:
Powermate Stairclimber
3 Man Crew
Heart

Challenges:
Get new 850lb Industrial Boiler up 2 flights of stairs. Remove old and take back down and out of the building.

Utilizing our PowerMate Stairclimber we were able to place the new boiler up two flights of stairs and have the old one removed from the building faster than any other method. And the best part.... NO INJURIES!
